# INDEX

## VOL. XLVIII, 1955

*Note.*—In this volume two series of numbers are used for pagination, one being the sectional page number and the other the volume page number. The latter only is used in the Index.

- Abel, A. Lawrence, ano-rectal tumour (*By title*), see Lumb, George D.
- Abercrombie, G. F., palliation in cancer (*Disc.*), 708
- ABO blood groups and disease (*Discussion*), 139, 291
- acid, nucleic, of adrenal tissue (J. N. Davidson), 910
- ACTH and the control of adrenal secretion (H. B. F. Dixon), 903
- Adams, A. Wilfrid, a massive calculus of the bladder, 413
- non-specific prostatitis (*Disc.*), 423
- testicle, neurofibroma (*By title*), 413
- Addison, John, sacro-coccygeal agenesis, 163
- Addison, Thomas, and his work (P. M. F. Bishop), 1032
- Addisonian centennial meeting at Guy's Hospital, 625
- Addison's disease, pathology of endocrine glands in (J. C. Sloper), 625
- with partial recovery (B. E. C. Nordin), 1024
- without pigmentation (D. Felix-Davies), 1023
- adrenal glands, pathology of, in Addison's disease (J. C. Sloper), 625
- in systemic disease (A. R. Currie and T. Symington), 908
- secretion, control of (H. B. F. Dixon), 903
- tissue, nucleic acid contents (J. N. Davidson), 910
- adrenocortical hyperfunction associated with hirsutism, obesity (O. Garrod and A. E. Kellie), 316
- agammaglobulinemia (D. O'Brien), 336
- agenesis, gonadal, and webbing syndrome (A. Russell, B. Levin and N. E. France), 318
- sacro-coccygeal (J. Addison), 163
- Aid, Ian, the ABO blood groups and disease (*Disc.*), 139
- toxic and nutritional disturbances in the small intestine associated with surgery of the gastro-intestinal tract (*Disc.*), 250
- aldosterone, biological effects (F. T. G. Prunty, R. R. McSwiney and I. H. Mills), 629
- aldosteronism, primary (M. D. Milne), 780
- Aldridge, J. F. L., multiple myelomatosis, 887
- allergic rhinitis, relation to bronchial asthma (K. Maunsell), 510
- Allibone, E. C., myotonic dystrophy, 1106
- Allison, P. R., and Zinnemann, K., the significance of *Hæmophilus influenzae* in bronchiectasis of children, 1102
- Allinson, S. W., malignant granuloma and scleroma (*Disc.*) (*By title*), 85
- oro-antral fistula (*Disc.*) (*By title*), 947
- Allison, P. R. (with E. C. Allibone and K. Zinnemann), the significance of *Hæmophilus influenzae* in bronchiectasis of children, 1102
- amenorrhœa, steatorrhœa, osteomalacia and absent body hair (A. Bloom), 321
- Ammon's horn lesions in epilepsy (A. Meyer and E. Beck), 457
- amœbic colitis, diagnosis of (J. A. Lloyd Davies), 491
- Amsterdam, psychiatric first-aid scheme (A. Querido), 741
- anæmia, hæmolytic, congenital, and bilirubin hæmoglobin (*Discussion*), 271
- red-cell defects in (J. G. Selwyn), 272
- red-cell metabolism in (T. A. J. Prankerd), 277
- three cases (J. F. Horley), 145
- in general practice (*Discussion*), 347
- in Pakistan, environmental factors (G. T. Stewart), 291
- anæsthesia in artificial pneumothorax, problems of (A. R. Hunter), 765
- in obstetrics, hazards of (*Discussion*), 1089
- T-piece, reduction of operative bleeding with (J. Bullough), 768
- anastomosis, porta-caval, changes with (A. G. Riddell), 481
- in treatment of Banti's syndrome in children (W. P. Sweetnam), 1108
- Anderson, C. K., metaplasia in the epithelium of the urinary tract, 699
- Anderson, J., the renal tubules (*Disc.*): the parathyroid and tubular reabsorption of phosphate, 779
- Andrews, L. (for Charles Pinckney and J. Marshall Chalmers), ? Christmas disease (*By title*), 842
- lymphatic leukaemia in remission following ACTH (*By title*), 842

- Andrews, P. S., carcinoma of the vulva (*Disc.*), 1094
- aneurysm, intracranial (J. R. Wheeler), 1039
- angioma of pons (M. W. Swallow), 893
- animal diseases transmissible from pets to man (*Discussion*), 633
- ankylosing spondylitis, complications (R. G. Morrison), 204
- diagnosis (J. P. Baird), 201
- some aspects of (*Discussion*), 201
- treatment (F. Dudley Hart), 207
- Anniversary Dinner, 150th, 489
- antibiotics in bacillary dysentery (E. F. Murphy), 1102
- use and abuse of (*Discussion*), 355
- antibodies, cold, hæmolytic activity of (J. V. Dacie), 211
- anus, pruritus (J. J. Brossy), 499
- aortography, aid to (W. Barr Stirling), 823
- Archer, G. E., the treatment of bilateral abductor palsy (*Disc.*) (*By title*), 522.
- arm, congenital lymphatic edema (Trevor P. Mann), 330
- Armed Forces, use and abuse of hospital laboratory in (W. P. Stamm), 799
- Armytage, V. B. Green-, see Green-Armeytage, V. B.
- Arslan, Michele, the relation of nasal disease to asthma (*Disc.*), 521
- arterial circulation in ulcerated legs (L. T. Cotton), 815
- graft in neurovascular injury (C. M. Marsden and R. S. Hunt), 888
- artery, coronary, disease (*Discussion*), 661
- role of diet in pathogenesis of (H. W. Fullerton), 664
- iliac, obstruction bridged by orlon fabric (R. H. Lee), 539
- renal, anatomy (F. T. Graves), 816
- artificial pneumothorax, anæsthetic problems in (A. R. Hunter), 765
- respiration in tracheotomy cases (*Discussion*), 947
- Asher, Richard (*Disc.*), 760
- the management of advanced cancer, 376
- polycythæmia, myelofibrosis: splenectomy, myeloid leukaemia and polycythæmia, 539
- asthma, bronchial, relation to allergic rhinitis (K. Maunsell), 510
- relation of nasal disease to (*Discussion*), 509
- skin tests in (A. G. Ogilvie), 379
- (R. S. B. Pearson), 377
- Astley, Roy, œsophageal "spasm" in infancy, 1045
- atherosclerosis, coronary, epidemiology of (J. N. Morris and R. A. Dale), 667
- in experimental animals (J. E. French), 662
- in man (T. Crawford), 661
- Atkinson, W. J., and Northfield, D. W. C., excessive bilateral sinus expansion with mucocele, 181
- atrophy, subacute cerebellar, following carcinoma of ovaries (A. W. Downie), 181
- audition, psychology of, clinical implications of recent experiments (D. E. Broadbent), 961
- auditory meatus, malignant disease (*Discussion*) (*By title*), 404
- aviation medicine, radiation hazards in (D. Wilson and G. H. Dhenin), 1
- role of nervous system in adaptation (*Discussion*), 868
- Aylett, Stanley O., carcinoma of rectum with chronic ulcerative colitis (*By title*), 491
- carcinoma of transverse colon with chronic ulcerative colitis (*By title*), 491
- diverticulitis of the colon (*Disc.*): chronic phase of diverticulitis and its treatment, 926
- backache, treatment by traction (*Discussion*), 805
- bacterial infection, chemotherapy of (L. P. Garrod), 21
- response of guinea-pigs to, influence of various hormones (D. A. Long), 916
- Badenoch, A. W., non-specific prostatitis (*Disc.*), 423
- spontaneous rupture of the urinary bladder (*Disc.*), 696
- Baird, J. P., some aspects of ankylosing spondylitis (*Disc.*): symptoms and diagnosis, 201
- tabes dorsalis—pharyngolaryngeal crises, dysgeusia, 891
- Bancroft-Livingston, George, double chancre in the puerperium, 455
- the hazards of anaesthesia in obstetrics (*Disc.*) (*By title*), 1090
- Band, David, spontaneous rupture of the urinary bladder (*Disc.*), 696
- Banti's syndrome in children, treated by portacaval anastomosis (W. P. Sweetnam), 1108
- Barlow, Donald, acute emphysematous cholecystitis, see Tooms, D.
- Barnes, R. (for Ursula James and J. Marshall Chalmers), aplastic anæmia after chloromycetin (*By title*), 842.
- (for C. W. Kesson and J. Marshall Chalmers), idiopathic Heinz-body anæmia (*By title*), 842
- (for Charles Pinckney and J. Marshall Chalmers), congenital hypoplastic anæmia (two cases) (*By title*), 842
- sickle-cell anæmia (*By title*), 842
- Barron, J. N., see also Dalling, E. J.
- " Glanville, H. J.
- " Laing, J. E.
- skin grafting for the orthopædic surgeon (*By title*), 902
- Barry, Geraldine M., injuries to the recurrent laryngeal nerves during thyroid operations, 437
- palliation in cancer (*Disc.*), 710
- Barton, Russell, colloid cyst of the third ventricle (*Disc.*), 603
- basal ganglia, anatomy (F. Goldby), 865
- Bass, B. H. (for J. L. Livingstone), Kartagener's syndrome, 533
- Bateman, G. H., the modern indications for tracheotomy, with special reference to the management of those cases requiring artificial respiration (*Disc.*), 958
- some clinical implications of recent experiments on the psychology of hearing (*Disc.*), 967
- treatment of malignant disease of the upper jaw (*Disc.*), 78

- Batten, Lindsey W., radiotherapy in medicine and surgery from the general practitioner's point of view (*Disc.*), 1057  
the use and abuse of antibiotics (*Disc.*), 358
- Bauwens, P., electrodiagnosis in motor unit dysfunction, 194
- Bawden, F. C. (some effects of the environment on the susceptibility of plants to virus disease), 1065
- Beattie, C. P., toxoplasmosis (*Disc.*): effects of infection with toxoplasmosis, 1071
- Beck, E. (with A. Meyer), the hippocampal formation in temporal lobe epilepsy, 457
- Beck, G. A., nodular dermal allergide (Gougerot) (*By title*), 180
- Bedson, S. P., some diseases of pets transmissible to man (*Disc.*): psittacosis, 633
- Belisario, J. C. (*Disc.*), 773
- Bell, W. Frain-, see Frain-Bell, W.
- Bensted, H. J., the experimental study of non-specific immunity (*Disc.*), 1065
- Berkin, C. R., the reconstructive surgery of the hand after injury (*Disc.*): effects of cortisone on the healing of tendons in rabbits, 610
- berylliosis (I. B. Sneddon), 175
- Bett, W. R., James Parkinson: practitioner, pamphleteer, politician and pioneer in neurology, 865
- Bettley, F. Ray (*Disc.*), 177, 772  
case for diagnosis: ?lupus erythematosus profundus (*By title*), see Marten, R. H.  
industrial and domestic dermatoses, 505  
pityriasis rubra pilaris (*By title*), see Marten, R. H.  
and Haber, H., Darier's disease (*By title*), 448
- bilirubin hemoglobin and congenital hemolytic anaemia (*Discussion*), 271  
metabolism in hemolytic disease (G. H. Lathe), 271
- Bingold, A. C., hallux valgus associated with dorsal dislocation of the second toe, 614  
a new method of arthrodesis of ankle and elbow in quiescent tuberculosis (*By title*), 172
- Bishop, P. M. F., Dr. Addison and his work, 1032
- Black, G., the treatment of burns of the face and eyes (*Disc.*), 547
- bladder, calculus round nylon suture (A. W. Adams), 413  
carcinoma, treated by cystectomy (J. O. Robinson), 538  
spontaneous rupture (C. L. O. Macalister), 693
- bleeding, operative, reduction by T-piece anaesthesia (J. Bullough), 768
- Bligh, A. S., and Williams, Ewart O., the aetiology and treatment of corneal occlusion of the tubes (*Disc.*), 92
- Blonfield, G. W., the pathology and treatment of functioning ovarian tumours and other unusual growths of the ovary (*Disc.*), 730
- blood ammonium levels in liver disease (W. H. J. Summerskill), 482  
disorders, splenectomy in (H. C. Edwards), 55  
groups, ABO, and disease (*Discussion*), 139, 291  
pressure, high, experiment and therapy in (Clifford Wilson), 279
- Bloom, Arnold, steatorrhea with osteomalacia, amenorrhea and absent body hair, 321
- Bocca, E. (for L. Pietrantonio), technique of tympanoplastic operations (*By title*), 961
- Bodian, Martin, eosinophilic granuloma: Letterer-Siwe disease: Hand-Schüller-Christian disease (*Disc.*): survey of the pathological features of Hand-Schüller-Christian syndrome, Letterer-Siwe disease and eosinophilic granuloma of bone, 713
- Bogdan, Andrew, diagnostic swabs in pertussis, 1101
- Boland, John, malignant disease of the middle ear and meatus (*Disc.*) (*By title*), 404
- bone, giant-cell granuloma (B. W. Fickling), 987  
hemorrhagic cyst (B. W. Fickling), 988
- books received, 86, 216, 224, 312, 322, 410, 444, 548, 604, 784, 878, 1028, 1038
- books reviewed:  
Adams, W. Stirk, ed., Treatment of ear, nose and throat conditions, 477

- Society for the Study of Fertility, Studies in fertility: being vol. 6 of the Proceedings of the Society, 749
- Starr, Paul, Hypothyroidism: an essay in modern medicine, 473
- Statland, Harry, Fluid and electrolytes in practice, 1111
- Stokes, E. Joan, Clinical bacteriology, 475
- Stott, C. P., and Fischer-Williams, M., The management of acute poliomyelitis, 975
- Tidy, Sir Henry, A synopsis of medicine, 10th edition, 227
- Vannotti, A., Porphyrins: their biological and chemical importance, 229
- Walshe, Sir Francis M. R., Diseases of the nervous system, 8th edition, 227
- Wilkinson, John F., ed., Modern trends in blood diseases, 837
- Wilson, S. A. Kinnier, Neurology, ed. by A. Ninian Bruce, 2nd edition, 474
- Borrie, Peter Forbes, facial hemiatrophy, 775
- Bourne, Geoffrey H., the pathology of the lower motor neurone in the light of new muscle biopsy techniques (*Disc.*), 200
- Bourne, J. G., the maintenance of respiration in respiratory paralysis (*Disc.*), 244
- Bourne, W. A., toxic and nutritional disturbances in the small intestine associated with surgery of the gastro-intestinal tract (*Disc.*), 252
- Bowden, Ruth E. M., the pathology of the lower motor neurone in the light of new muscle biopsy techniques (*Disc.*), 199
- bowel surgery, explosive risks in (A. H. Galley), 502
- Bowen-Davies, Alan, the disability of chronic ear disease in relation to insurance and employment, 968, 974
- Boyle, T. M., the disability of chronic ear disease in relation to insurance and employment (*Disc.*), 973
- the modern indications for tracheotomy, with special reference to the management of those cases requiring artificial respiration (*Disc.*), 959
- technique of tympanoplastic operations (*Disc.*) (*By title*), 961
- Brain, R. T. (*Disc.*), 774, 775
- erysipelatoid of cheek (*By title*), 450
- granuloma annulare associated with psoriasis (*By title*), 450

- Brain**, Sir W. Russell, subacute cerebellar atrophy following carcinoma of the ovaries, see Downie, A. W.
- brain**, anatomy of basal ganglia (F. Goldby), 865
- colloid cyst of third ventricle** (E. J. Radley Smith), 602
- injections of drugs into ventricular system** (W. Feldberg), 853
- (S. L. Sherwood), 855
- stereotactic operation** (R. Hassler and T. Riechert), 469
- Brander, G. C.**, some diseases of pets transmissible to man (*Disc.*): parasites and fungi of domestic pets, 639
- breast**, carcinoma, hormone therapy in (G. L. Foss), 551
- steroid metabolism in** (Ian F. Sommerville), 553
- Breidahl, H.**, and Fraser, Russell, cobalt goitre, 1026
- Bridgeman, G. J. O.**, an ophthalmic case-book of eighty years ago, 381
- British psychiatry in the first half of the nineteenth century** (*Symposium*), 581
- Broadbent, D. E.**, some clinical implications of recent experiments on the psychology of hearing, 961, 967, 968
- Brockbank, William**, the relation of nasal disease to asthma (*Disc.*), 509, 522
- Bromley, J. F.**, reflections on radiation hazards in clinical practice (*Pres. address*), 45
- bronchial asthma**, relation to allergic rhinitis (K. Maunsell), 510
- stenosis**, multiple tuberculous (K. M. Citron), 536
- bronchiectasis of children**, significance of *Haemophilus influenzae* in (E. C. Allibone, P. R. Allison and K. Zinnemann), 1102
- Brooks, Donal**, the reconstructive surgery of the hand after injury (*Disc.*): the place of tendon transplantation in injuries of the hand, 607
- Brossy, J.-J.**, pruritus ani, 499
- Brown, David**, radiotherapy in medicine and surgery from the general practitioner's point of view (*Disc.*), 1053, 1058
- Brown, David B.**, procidentia with primary carcinoma of the vagina, 1091
- Browne, Denis J.**, hydrocephalus of infancy (*Disc.*), 850
- Browne, Dr. W. A. F.** (James Harper), 590
- Bruce, John**, toxic and nutritional disturbances in the small intestine associated with surgery of the gastro-intestinal tract (*Disc.*), 245
- buccal pemphigus** (W. G. Cross), 985
- Bushan, J. F.**, Reiter's disease: a review of the position, 432
- Butbough, J.**, the reduction of operative bleeding by T-piece anaesthesia, 768
- Buynan, John**, methods of microscopical observation of unstained and vital tissues, 983
- burns**, early and first-aid treatment (A. B. Wallace), 440
- face and eyes**, treatment (R. D. W. Butler), 544
- (D. M. Jackson), 543
- Burrell, Craig D.**, and Gairdner, D. M. T., cretinism in three siblings, 1026
- Burt, Hugh**, hydrocortisone (*Disc.*), 425
- Butler, E. C. B.**, carcinoma of ascending colon with chronic ulcerative colitis (*By title*), 491
- carcinoma of rectum with chronic ulcerative colitis** (*By title*), 491
- carcinoma of transverse colon with chronic ulcerative colitis** (*By title*), 491
- right-sided colitis**, 496
- Butler, R. D. Weeden**, the treatment of burns of the face and eyes, 544
- Butler, R. Weeden** (*Disc.*), 618, 619
- the nature and significance of vertebral osteochondritis** (*Pres. address*), 895
- Buxton, A.**, some diseases of pets transmissible to man (*Disc.*): salmonellosis, 636
- Buxton, Isaac** (Norah H. Schuster), 326
- Bywaters, E. G. L.**, juvenile rheumatism (*Disc.*): United States—United Kingdom Co-operative Rheumatic Fever trial, 852
- Cade, Irene S.** (for E. J. Radley Smith), pituitary fossa tumour, 759
- Cade, Sir Stanford**, hormones and cancer (*Disc.*), 549
- the management of advanced cancer**, 373
- Caine, Marco**, congenital renal abnormalities presenting as acute appendicitis (two cases) (*By title*), 424
- Cairns, R. J.**, Miescher's granulomatosis with mediastinal gland enlargement, 173
- and Close, H. G.**, three cases of onychomycosis caused by *Scopulariopsis brevicaulis* (*By title*), 190
- calcinosis circumscripta** (C. J. M. Clark), 535
- calculus**, decubitus formation, prevention of (M. F. Nicholls), 834
- (F. Harwood Stevenson), 835
- of bladder round nylon suture** (A. W. Adams), 413
- Calnan, C. D.** (*Disc.*), 177, 771
- nodular dermal allergide** (trisymptome de Gougerot) (*By title*), 180
- poikiloderma atrophicans vasculare** (*By title*), 175
- Cameron, A. H.**, hydrocephalus of infancy (*Disc.*), 849
- Cameron, Donald**, the modern indications for tracheotomy, with special reference to the management of those cases requiring artificial respiration (*Disc.*), 957
- Campbell, Dorothy R.**, the liaison between the ophthalmic surgeon and industry, 541
- cancer**, advanced, management of (R. Asher), 376
- (Sir Stanford Cade), 373
- and goitre** (J. G. C. Spencer), 554
- and hormones** (*Discussion*), 549
- palliation in** (*Discussion*), 703
- Capps, F. C. W.**, the disability of chronic ear disease in relation to insurance and employment (*Disc.*), 973
- carbon dioxide** (W. R. Spurrell), 231
- carbuncle**, renal (G. T. Tate), 889
- carcinoma of the vulva** (*Discussion*), 1091
- squamous-cell**, rare variety (E. J. Moynahan), 174

- Cardell, B. S.**, lymphoid tumours of the small and large intestines (*By title*), 504
- carditis**, rheumatic, diagnosis of (G. T. Thomas), 852
- Care, A. D.**, ionic migration across the mucosa of the small intestine and its significance in urology, 827
- caries**, dental, histopathology of (J. J. Hodson), 641
- carpus**, trans-navicular dislocation (G. R. Fisk), 165
- Carter, B. S.**, the disability of chronic ear disease in relation to insurance and employment (*Disc.*), 973
- Carter, J.**, destruction of the premaxilla by chondroma, 983
- Carter, Robert Brudenell**, ophthalmic cases (G. J. O. Bridgeman), 381
- Cartledge, C. B.**, oro-antral fistula (*Disc.*) (*By title*), 947
